The number of Assistant Surgeons or Apothecaries and Sub Assistant Surgeons fixed in the present order is insufficient to meet the requirements of the institutions now working, of those sanctioned and not yet opened for want of

Sir,

With reference to Govt: order No: 1964-76 Med 52-19-3 dated 27th July 1920, sanctioning a separate cadre for Lady Doctors, I have the honor to bring to your kind notice that the maximum Salary of the Lady Medical officers of the Civil Surgeons' Grade is Rs: 600/-, and even under the reorganization of the Medical Department in 1918 Lady medical officers had prospects of rising higher than Rs: 600/- as in the cases of Miss [illegible] Comandoor Kamala and the late Miss. Ayachammal

I have completed 18 years Service and for 13 years I was on the same Salary Rs: 300/-) without promotion or allowances of any kind. In the reorganization of 1918 I was allocated in the 5th class Civil Surgeons though there was a vacancy immediately above me in the 4th class. This was kept open, as also

Subsequent

Subsequent Vacancies caused by the death of Miss Ayachammal and the retirement of Mr. V. Sreenivasa Iyengar.

As my promotion to the 3rd class on a Salary of 550 - 25/1 - 700 was due before the present revised Scheme for Lady Doctors was sanctioned. I request that you will kindly recommend that I may be given the promotion that was due to me in the 3rd class by the retirement of Mr. V. Sreenivasa Iyengar and that I may be permitted to retain the prospects which I had under the reorganization of 1918 and which were given to the other 3 Senior Lady Doctors.

I have the honor to be

Offg.Secretary to Government,
Revenue Department. BANGALORE.

Sir,

With reference to your letter No.L.744-Med.44-20-3 dated 8th August 1921, requesting me to submit a revised and up-to-date list, showing the allocation of Lady Medical Officers and Subordinates according to the new cadre sanctioned in G.O.No.1964-74 Med.52-19-3 dated 27th July 1920, I have the honour to state that the only changes in the personael that have taken place since the date of this office letter No.434-2 dated 21st August 1920 are:-

(1) The appointment of Miss.J.Jnirao as Surgeon on Rs.500/-
(Vide G.O.No. 329-30/C.B. 54-20-7 dated 3-9-21)

(2) The promotion of Mrs.M.J.Whale to the III class of Surgeons in the Men's cadre on Rs.550-25-700. with effect from the 12th February 1920,

The promotion of Mrs. Mathurabai Uchagavakar and Mrs. M.Ratnamma Isaac from the II to the I grade of Assistant Surgeons, as per Notification No. G.2836-Med.33-19-35 dt. 28.6.1920. dated 22nd June 1921.

Neither Miss.Michael nor Mrs.Saldanha Fernandes, whose appointments had been sanctioned, have joined the service and no new appointments have been sanctioned or made in the cadre of Apothecaries and Sub Assistant Surgeons

2. The only difficulty that has to be solved in the allocation is the one brought about by the promotion of Mrs.M.J.Whale.

as per recent notification to a scale of pay not existing in the Ladies' Cadre. With a view to obviate such a difficulty, it had been proposed in this office letter No.G.C.55, dated 5th August 1921, submitted in accordance with para 7 of the G.O. of the 27th July 1921, that Miss. R.Govindarajalu, the only Officer that was drawing a pay higher than the maximum available in the Ladies' Cadre and who was also due to retire, might be treated as an exception and allowed to draw her pay as personal. As Mrs.Whale was entitled to promotion to Rs.550/- from an earlier date, and as this amount corresponded with one of the stages in the scale of Rs.400-50-600, sanctioned for Lady Surgeons, it was proposed to start her on Rs.550/- in the new cadre. Subsequently, in consideration of the contemplated appointment of Miss.J. Jhirad on Rs.600/- Mrs. Whale was also recommended to be started on Rs.600/- instead of Rs.550/-, vide this office letter dated 21st August 1921. In sanctioning so recently as June 1921, the promotion of Mrs.Whale to a higher class in the general cadre, the necessity for regulating her promotion so as not to be inconsistent with the new scale of pay appears to have been overlooked.

3. Now it is open to Government either to keep Mrs.Whale, as a special case, on the progressive scale of Rs.550-25-700 already granted to her in the Notification of June 1921 and count her appointment against one of the two Surgeoncies, or, to start her on the maximum pay of a Lady Surgeon, i.e., Rs.600/- with effect from 27th July 1920, in which case, she will retain her seniority over Miss.Jhirad. Both in her letter dated 14th August 1920 already submitted to Government with this office letter dated 21st August 1920, and in her letter dated 5th August 1921 (copy herein enclosed) Mrs. Whale claims the prospects of promotion that are open to her in the general or men's cadre in which, as luck would have it, a vacancy in the First class of Surgeon on Rs.800/- has been created by the lamented death of Mr.T.V.Kuppaswamy Moodaliyar and she ought to get it if her claim be allowed.

4. In this connection, it has to be borne in mind that the scale of pay of lady surgeons was deliberately fixed lower than

than that of men surgeons on the ground that such a distinction was recognised even by the Women's Medical Service and that the duties and responsibilities devolving on men surgeons were greater than those which Lady Surgeons would be called upon or expected to undertake. The grant to Mrs.Whale, of the pay and prospects open to men is sure to form an inconvenient precedent, likely to give rise to similar representations from the other lady doctors and to create discontent in the event of a refusal by Government.

5. The number of lady Assistant Surgeons of the 1st and 2nd grades have to be altered from 3 and 2 to 5 and 1 or if the proposed cancellation of the appointment of Mrs.Saldanah Fernandes and the entertainment of Miss.E.W.Paul be ordered, to 6 and 0, and the list ought to stand thus on 1st July 1921

Assistant Surgeons I Grade 5 (200-20-360).

1. Miss. M.C.Albuquerque.Rs220 plus 30.
2. Mrs. B.Perriton.Rs280 plus 30.
3. Miss. A.G.Allen. Rs.240 plus 30.
4. Mrs. Mathurabai Rs.240-plus 30.
5. Mrs. M.R.Isaac. Rs.220 plus 30.

Assistant Surgeons II grade 1 (120-10-200).

1 Vacant.

Apothecaries:

1. Mrs. L.Rodrigues.
2. Miss. E.L.Palman.
3. Mrs. A.F.James.
4. Miss. F.Brown.
5. Mrs. L.H.Rozario.

Rs.170 plus 30. each.

6. Miss. A.Rozario. Rs.120 plus. 30
7. " E.Patton. " 110 plus 30.
8. " A.G.Smith. " 95 plus 30.

Sub Assistant Surgeons 6. (5 plus 1 for Chintamoni newly sanctioned).

The allocation of Sub Assistant Surgeons may be given

given effect to from the 27th July 1920 and as was wx proposed in this office letter dated 5th August 1921 in which only one out of the two prize appointments on Rs.(100 plus 10) was -- given to Miss. Paul. The others being

	Entry.	Pay proposed for 27-7-20.	Next promotion due.
1. Miss. Balasundarama.	1-11-07	Rs.70 plus 10.	1-11-22
2. Mrs. Ambabai.	24-7-15.	" 55 plus 10.	24-7-21.
3. Mrs. Murphey.	10-12-16	" 55 plus 10.	10-12-22
4. Miss. Joaquim.	1-9-17.	" 50 plus 10.	1-9-20.
5. Vacant. (against new charge of Chintamoni).			

The pay which the individuals would have drawn on 27th July 1920 had they been started on Rs.50/- from the date of their entry into service, has been allowed in each case, and the dates of their next promotion have also been fixed accordingly. Further promotion will be determined as per new scale.

Requesting the favour of very early orders,

Letter No.31 dated 5th August 1921, from Mrs.M.J.Whale, Lady Medical Officer, Vani Vilas Hospital, Mysore, to the Senior Surgeon in Mysore. Bangalore.

I have the honour to bring to your kind notice that in accordance with the salary intimation slip received from the Comptroller. I am at present drawing the salary of the 3rd grade of Surgeons of the men's cadre, though in the Notification in the Mysore Gazettee of 30th June 1920. I stand transferred to the women's cadre, from July 1920. . I have not as yet been allocated in the women's cadre, where there is only one grade of Rs.400-600, i.e, a lower grade than the grade I was promoted to in Feb. 1920. I have also to bring before you for your kind consideration the difference in my prospects if I am to be transferred to the women's cadre By the re-organization of 1918, I was eligible for the 1st grade of Civil Surgeons, where there is now a vacancy by the death of Dr. T.V.Kuppasawmy Moodr., who was in the 1st grade, officiating, at the time of his death; but in the women's cadre, I remain on the same salary without any promotions for the remaining years of my service.

2. I therefore request that you will kindly recommend that in consideration of my long service and the grade I held before the women's cadre was formed, that I may be permitted to remain in the men's cadre, as in the case of Miss. Govindarajalu, who was in the 2nd class of Civil Surgeons in the men's cadre, on her retirement in January 1921.

REVENUE & JUDL. SECRETARIAT 23 MAY 1922 LOCAL SELF GOVT. BRANCH

To

The Secretary to the Government of
His Highness the Maharaja of Mysore,
Revenue Department, Bangalore

SIR,

With reference to the correspondence ending with this office letter No. G.C.83, dated 17th September 1921, (which was a reply to your office letter No. L.744-Med. 44-20 - 3, dated 8th August 1921), I have the honour to state as follows:-

The pay and prospects of the two Surgeons of the Ladies Cadre have been definitely settled (1) by notifying the promotion of Mrs. M. J. Whale to the scale 550-25-700 in No. 2461-C.B-66-20 dated 22nd June 1921, and (2) fixing the prospects of Miss Jhirad at Rs. 600-50/2-900 in Government Order No. 6775-6 / C.B.155-21-8, dated 1st May 1922.

There is no question of changing the scale of pay of Lady Assistant Surgeons and the only re-adjustment required is as regards the number of officers in the 1st and 2nd grades. All the five lady Assistant Surgeons now in service are in the 1st grade and are in one of the stages of the sanctioned progressive scale of pay viz., Rs. 200-20-360. The allocation of these officers in the ladies' cadre therefore offers no difficulty. Similarly there is no necessity for any fresh allocation as regards Lady Apothecaries whose pay and prospects

prospects as sanctioned in the reorganisation of July 1918 and given effect to then, has not been in any way modified by the order of 27th July 1920, sanctioning the new cadre.

The only class of lady doctors that has suffered by the non-application of the revised cadre is Sub Assistant Surgeons. I therefore request early sanction to the allocation of the existing lady Sub Assistt. Surgeons of the Department as proposed in this office letter first referred to.

I have the honour to be,

Sir,

Your most obedient servant,

Ag. Senior Surgeon.
